Studies...

Our ThankFULL study went very well, and your students gave some GREAT input!

On the first Wednesday evening in December, Mark Cooper will be teaching in my absence. The remainder of December will be focused on Jesus' birth and what Christmas is truly all about.

CRAZY SOCK EXCHANGE

Wednesday, December 9

Students have been asked to bring a wrapped NEW pair of CRAZY socks to exchange at our Christmas celebration. We will have to maintain social distancing during our DIRTY gift exchange, but I still anticipate a good time with many laughs! Please do not let the purchase of socks burden you. Let me know if you are unable to purchase them, and I'll take care of it! We want EVERYONE to participate!

Year Overview...

Even though it's been a crazy year, I've really enjoyed thinking outside the box to find creative ways to worship our Lord! Thank you for allowing your teen to participate and for entrusting them in our care. I look forward to an exciting new year to come!
