Studies...

I am so excited about our new Wednesday night study!
"All of My Best Friends" is a series of lessons all about friendship. We will discuss how to choose our friends wisely and just how easily our friends can influence us. My prayer is that students will understand the importance of surrounding themselves with those who love Christ.

- January 13 (Wed.) – Bad Company
- January 20 (Wed.) – Friends OTR
- January 27 (Wed.) – The Purge

WHAT TO EXPECT

We will continue to follow the guidelines recommended for churches during COVID. This will include checking temperatures and wearing masks. I will occasionally allow students to remove their masks for snacks but only if they remain in their seat.

Life is different with COVID, but it doesn't have to prevent us from our time together. I want these students to enjoy fellowship together, and I will be thinking outside the box for some creative ways to accomplish that.
