Studies...

October's lesson series is entitled *Trash Talk*. This 4-week study will help students understand how their language and words affect those around them and ultimately their walk with Christ.

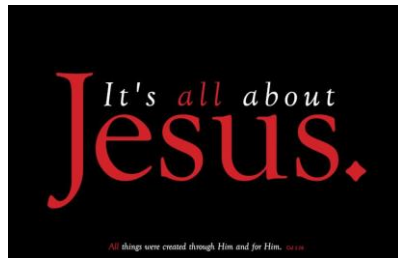

I am excited to dig into the Word with your teens!

Please note: Wednesday lesson times will remain from 6:30-7:30pm in the Attic. Masks are required.

Looking ahead...

September 30th will be our last outside gathering as daylight is dwindling. We will transition into the Attic for the remainder of the semester (except with bonfires 😊). Masks and social distancing will be expected at all indoor gatherings.
