Studies...

We started a short series of *Tough Questions and Tacos* during our lawn services on Wednesday evenings. The students were asked to submit anonymous questions, and I have geared each lesson around those. We've discussed topics ranging from racism to relationships and what the Bible has to say about each one. I am so grateful for the participation received from your teens!

SUMMER

We've had several opportunities to meet together on the lawn. It's been so good to see your teens and interact as a group again! These students are wonderful at remembering to distance themselves while having fun! 😊

FALL KICK-OFF

September 16th at 6:30pm!
Come and join us for a friendly game of
TRASHKETBALL! 😊

Your teen will be expected to participate in our Bible study, discussion, and activity!

Looking ahead...

The outside gatherings are working well, and I plan to continue meeting on the lawn for now. We will transition into the Attic as it gets darker sooner or if it's raining. Masks and social distancing will be required at all indoor gatherings.
