## Studies...

We have begun a Bible study via online Zoom calls entitled *Contagious Community*, and I have really enjoyed it. This series explores the crucial elements of a lasting Christian community, and encourages us to create memories with our friends and family as God has created us to be in community with each other. I am so proud of your teens! They have accepted challenges that forced them to get out of their comfort zones, pray for each other, and dig deeper in God's Word. I enjoy watching their love for each other and love for Him grow! I'm praying for you all!

Quarantine  
Creations

We may be quarantined, but we've still had fun! We've used our creativity to invent some awesome superhero ideas, used ingredients to make edible Quarantine Creations, and played an intense game of Bible trivia. These teens are competitive!

I'm so grateful to these teen leaders! They have continued to give their time and efforts to attend our Zoom calls and encourage our students. We are so blessed to have them on our team!

## Quaranteen Activity

Please continue to encourage your teen to watch the Bible studies posted each week and participate in our Zoom group discussion time on Wednesdays at 7:15pm.

We also enjoy Zoom fellowship time at 5pm on Sundays.

You can also sign up to receive text reminders of our events! Text @teensfaith to 81010.

## Looking ahead...

We hope to meet again very soon, but until then, patience is appreciated!

I will continue to check in with your teen via phone or text. Please do not hesitate to contact me if I'm needed in ANY way!
